### Your Profile

- » Excellent English skills, preferably English native or dual language
- » First professional experience in the area of online communications
- » Advanced Microsoft Office skills and potentially experience with graphic programs
- » Excellent writing skills and advanced SEO expertise
- » Comfortable with working in international teams
- » High personal commitment, team spirit, pro-active and action-oriented and strong communication skills

## Be part of the movement

We are a dynamic global tax practice with partner firms around the world. Although we operate in different cultures, we are united by one WTS Global spirit: a personal and appreciative corporate culture. Our open working environment gives you sufficient room to develop and grow personally. With the great importance we place on openness, a trustful and reliable communication culture is immediately recognized through the equal exchange existing between employees and managers. Regular feedback plays an important role at WTS Global.
